

NWMTPA
Northwest Missouri Tractor Pullers Association
2022 Clutch Certification
(This document must be notarized)

Name of Owner or Driver (Please Print)

Street Address (Please Print)

City, State & Zip Code (Please Print)

Year, Make, & Model of Vehicle (Please Print)

Vehicle Name

The undersigned guarantees that the competition vehicle described above is currently equipped, and will be continually equipped, with all clutch assembly, flywheel, and bellhousing components that are equal to, or exceed, the minimum safety requirements as defined in the 2022 NWMTPA rulebook, while participating in any NWMTPA sanctioned event.

The undersigned guarantees that the flywheel, clutch, and pressure plate components on the vehicle described above are made of steel, aluminum, or ductile iron in accordance with the 2017 NWMTPA rules. The undersigned understands that no gray cast iron is allowed in these components and guarantees that no gray cast iron has been used in these components.

The undersigned understands that this guarantee of compliance with all 2022 NWMTPA rules for all clutch assembly, flywheel, and bellhousing components expires on December 31, 2022.
